Estimated Completion Date: _____

Course Delivery Format Online

Program Overview:

Criminal Investigation is more and more being driven by advances in technology, provided the search and seizure techniques and investigative efforts remain within the confines of the Fourth Amendment. Still, as more and more technology is incorporated into criminal investigation efforts, technicians and investigation professionals who understand the nature of these efforts alongside the legal considerations and ramifications are in great demand by law offices, corrections agencies, companies that supply these organizations and beyond. This program offers students the chance to hone their knowledge and skills in the area of criminology, the criminal mind and investigation techniques all with an eye toward criminal justice ethics and the legal system that governs these investigations. Students looking to pursue advanced degrees in criminal justice, perhaps looking toward a career as a criminal law assistant or court clerk would benefit tremendously from this program.
