Program Overview:

The American criminal justice system is one of the most unique and robust legal frameworks in the world. Facing a host of issues from overwhelming corrections populations to evolving search and seizure methods within the confines of the Fourth Amendment, professionals working in the Criminal Justice system require a comprehensive understanding of the various issues facing all of the players in the legal system on the criminal side as well as the societal and utilitarian principles affected by these decisions every day. Beyond that, the amount of technology changes for law enforcement and other security and investigative agencies requires a broad understanding of the criminal justice system overall. This program offers a comprehensive look at the American criminal justice system, particularly from the legal side.
